

Steel City Riders

#### New Member Sponsorship Program

The Steel City Riders is implementing a new member sponsorship program for the 2010 season and beyond. The reason for this stems from the exponential increase in members over the last 5 years or so, and as such we find it difficult to ensure that all new members are familiar with the operations of the SCR Club. The Steel City Riders is a family oriented organization run by volunteers and as such we want to maintain this atmosphere.

Any family or individual wanting to join the Steel City Riders in 2010 will need to be sponsored by a current member in good standing. Once they have this person, we can add the new member and sponsors name in the membership application system, allowing them to proceed with the necessary application process to become members for the 2010 season.

The sponsor has some responsibility. We ask that they prepare the new member for safe riding at the club track, as well as provide them the basic information with regards to meetings, track safety, race event proceedings, track parking, and so on. We are not asking the sponsor to "police" the new member, just help get them oriented in the club.

New Member applications will be available soon, so keep watching the web site for updates in the coming weeks.

Thanks,

SCR Board of Directors
